### BNI Testimonial

#### Jeannie Anderson – Mayberry Meldrum Anderson .

Over the past 5 months since I joined BNI Pinnacle I have had the pleasure of getting to know Jeannie Anderson of Mayberry Meldrum Anderson.

Jeannie's passion and commitment to her clients as their valued & trusted Accountant is outstanding. Jeannie sets herself apart from the average Accountant in the standard of service she provides to her clients. She works strategically alongside them, guiding and educating them to ensure that their business not only exists but also strives and grows to reach its full potential.

Jeannie also shows this exemplary commitment to her Role as President of our Pinnacle Chapter, for which we all as members can be grateful as Jeannie is striving to make our Pinnacle Chapter the most successful it has ever been.

Regards
